Alt Schedules

You can find the [Alternative Schedules on the website](#).

Next week:

Wednesday, Alt D for club meetings

Dance

Saturday, December 7, the dance will begin at 7:00 and end at 10:00. Students should be picked up at 10:15-10:30 allowing for the group to share the task of cleanup. Contact Eve M. with questions, emerrick@heritageclassical.org.

Mock Trial

On Friday, December 13, the Issues in Law and Government will be holding a mock trial under the supervision of the Honorable Cordell Schulten. The trial will be held in the Commons from 1:00 to the end of the day. The case is a criminal case involving charges of arson and murder. The fictional victim is a prep-school senior and the defendant is a classmate who is a rival for the top scholarship at the school. The prosecution will claim that the defendant was seeking to eliminate the rival. The defendant denies the charges and points a finger at an ex-boyfriend. The community is invited to come and observe.

Christmas Choir Concert

This year our choir will be recreating a traditional vesper service on Friday, December 13. The music comes from ancient times through the Baroque period. Join us for a beautiful Christmas service that includes responsive readings and worshipful singing. Come for the Christmas music and stay for the cookies! This is a community event, not only for families of the choir members. The evening also presents a great opportunity to show off what we are doing here at Heritage to potential families, so feel free to invite friends. School families are asked to bring 2 dozen cookies to share. The concert starts at 7:30.

T-shirts

In addition to the embroidered logo items available at Lands' End, they also have a screen print t-shirt with our Heritage Hawk logo. We have a sample near the gym door

for you to see. The link to Lands' End is on our website at <https://www.heritageclassical.org/spiritwear>.

Sports Corner

We are having a strong sports season for Girls' Basketball, Boys' Basketball, and Hawkeyes! We will be hosting a Marksmanship Meet January 10-11 here at Heritage.

The Heritage Marksmanship Team competed against the SLUH Freshman team this week at their school. Heritage had 8 shooters to SLUH's 13 shooters. This was the first match in the St. Louis Area High School Rifle League. Team scores are compiled from the top four shooters from each school.

Heritage won with a team score of 991 to SLUH's score of 832.

Enna H. deserves applause for her honesty which resulted in a 24-point reduction.

Volleyball: Please remember to turn in uniforms to Miss Watson!

Next week:
