Seeking Camping Cot

As the cold and flu season starts, we have more and more students who feel sick at school and need to lie down. We are looking for a foldable camping cot that we could pull out for sick students. Do you have one that you no longer use? Please email Kathy at office@heritageclassical.org if you think you have something that might work for us.

Field Trip Correction

In the last newsletter the date for the Law and Government field trip was incorrect on the calendar. The correct date is Wednesday, December 11.

Volunteer Opportunities

Front desk volunteers: Tuesday, Wednesday and Thursday. (We will take volunteers for the whole day, half day or for every other week.)

Front desk substitutes: If you can't commit to a regular time, we need people we can call when the regulars need to miss a day.

Box Top Processing: We need a volunteer to take the box tops and prepare them for submission. This isn't a hard job and does not require you to be here during the day.

Handyman Services: We have a list of minor things that need to be fixed around the building.

Substitute Scorebook-keeper: Mr. Birchler keeps the score books for our home games, but occasionally he can't be there. We need someone who can learn the process and help fill in when needed.

Substitute Scoreboard Operator: We need someone to learn to control the scoreboard for all our home games.

Spring Elective Teacher: We are looking for someone to volunteer to teach an elective in the spring. Topic could be something you are passionate about. The time of the class is Tuesdays and Thursdays 12:55-1:40.

Email office@heritageclassical.org if you think you could help with any of these opportunities.
