From Dr. Heckel

Dear Heritage Families,

Our school board is beginning its search for a permanent headmaster. While I have happily agreed to serve as interim headmaster through the 2020/2021 school year, the board is wisely beginning their search now. This is because of the long cycle involved in hiring a candidate. The board is going to be posting the job opening soon and has prepared an attractive candidate packet that shows off our school community. Please be praying for God to provide the future leader of Heritage who will continue to energize the vision of the school and take us into our next phase of blessing and growth.

Sincerely, Matt Heckel
