

Heritage Classical Christian Academy

A+ Schools Program Agreement

I wish to participate in the A+ School Program*

If state funds are available and Heritage Classical Christian School maintains its status as a designated A+ School prior to my graduation, I may receive reimbursement for college expenses determined by the Missouri General Assembly while attending a Missouri public community college or public career/technical school on a full-time basis. This reimbursement may be for the unpaid balance of tuition and general fees after federal post-secondary financial assistance funds (that do not require repayment) have been applied. All reimbursement is subject to legislative appropriation. It may be available for up to the completion of 105% of credit hours during the forty-eighth month period after my graduation from high school.

This financial assistance is on the condition that I meet or exceed the following requirements:

- Attend an A+ designated school for any three (3) years immediately prior to high school graduation (exemptions are available for active or retired military dependents; see your A+ Coordinator).
- Graduate from high school with a grade point average of 2.5 or higher on a 4.0 scale (unweighted, un-rounded, cumulative GPA. A GPA of 2.49 will not be rounded).
- Achieve math proficiency and school's academic progress policy.
- Have at least 95 percent cumulative attendance record for the four-year period. (an attendance rate of 94.9% will not be rounded)
- Graduate with fifty (50) documented hours of unpaid mentoring/tutoring of students in approved settings.
- Maintain a record of good citizenship and avoid the unlawful use of drugs and alcohol.
- Make a good faith effort to apply for non-payback financial assistance funds by completing the Free Application for Student Assistance (FAFSA) no later than the last semester of senior year. www.fafsa.ed.gov
- Register for the Selective Service, if applicable. www.sss.gov
- Seniors must enroll by the last Wednesday in September

To maintain eligibility after high school graduation, I understand that I must meet the following requirement:

- Enroll at and attend on a full-time basis a participating Missouri public community college or public vocational/technical school.
- Seek a degree at the institution in which I am enrolled.
- Maintain the school's satisfactory academic progress policy.
- Make a good faith effort to secure federal post-secondary student financial assistance each year (FAFSA).

The student and parent/guardian must sign this A+ Schools Program Agreement before the student will be considered for participation in the A+ Schools Program. By signing this agreement, the student and parent/guardian certify that they have read, understand and agree to conditions outlined in the Heritage Classical Christian Academy A+ Program Handbook.
