PSAT Test Wednesday

Our 10th and 11th graders will be taking the PSAT test Wednesday morning. National Merit Scholars are chosen based on scores from this test. National Merit Scholars qualify for many high dollar scholarships for college. The test will begin first thing in the morning, so it is very important for students to arrive on time and ready to go. A sample test was sent home with students this week.

Annual Fundraiser

You should have received your invitation to the Annual Fundraising Dinner on November 1. Included in the invitation is an RSVP card. You can also RSVP online, and pay for your tickets through the website. The deadline for your response is October 26.

Please consider inviting others to join you. The fundraiser is a great way for prospective parents to get a feel for what we do at Heritage. It is also an important opportunity for us to invite fans of Christian education to partner with us in our mission. Additional invitations are available at the front desk.
