## **Announcements**

### **Academic Recovery Day**

While our athletes are in Joplin at the state tournament, our teachers are available during Academic Recovery Day (Oct. 24). All students can sign up for one-on-one help from teachers. Teachers may request a student come for a session. To sign up, please go to <https://www.wejoinin.com/sheets/wntuf> and sign up for a slot. **Students who are not coming for a session are not expected to be at school.**

### **College Search Resources**

The college search process can be incredibly overwhelming. We have a resource that you may find helpful. The [College Planning Suggested Timeline](#) is always available on [our website](#) and hard copies can be found in our College Corner. When should I take the ACT? When do my grades matter for college entrance? When should we start visiting colleges? Should I be doing extracurricular activities? The timeline answers these questions and more. College can be on the radar all four years of high school.

Another resource is [Going Merry](#), a search engine for scholarships. Your student can use this link to sign up: <https://www.goingmerry.com/c/kathye-jkebk>

Going Merry is completely different from the older scholarship search engines:

- **Matching** - Once you fill out your profile, you are automatically matched with scholarships you are most eligible for.
- **Direct Applications** - You can apply directly to multiple scholarships, you never need to leave the site.
- **Autofilled Applications** - All of the information from your profile is autofilled into each application, saving you time.
- **Estimated Application Times** - Every scholarship has estimated application time to help you prioritize them.
- **Scholarships Grouped By Essay Topics** - Scholarships are grouped by common essay topics so you can minimize the number of essays you have to write.

## Alt Schedules

You can find the [Alternative Schedules on the website](#).
